

Session V Afterschool Offerings (May 1, 2017-June 2, 2017)

Dear Parents, Guardians, and Students,

We have attached our afterschool program offerings for session V. All programs are free, and a healthy meal will be provided. Please remember that the registration form is due back by Tuesday, April 11th. Your child will receive a confirmation of what program(s) he or she is enrolled in by Friday, April 21st.

Please note that 21C classes **do not meet on Wednesday, May 10th**, as it is an early release day. However, there will be a separate registration form for the activities that are being offered on those days beginning at 12:15-3:00pm. **Please sign up in advance for the Wednesday activities on the early release day in May.**

Our afterschool program is a partnership between Kids First (funds are provided by the Winooski School District and the PTO), the City of Winooski, and our 21C grant. Most programs are taught by licensed teachers and provide enrichment opportunities for students in the areas of literacy, math, science, social studies, technology, wellness, and the arts.

On the **first day** of their afterschool programs for each session, participating students in grades 1-5 can go directly to the room where their afterschool class is being held. Ms. Thomas will be in the hallway in case students need help finding their room. Participating students in Kindergarten will meet Mrs. Gamache in the front lobby. Attendance will be taken when students are at their assigned classroom locations. You will receive a phone call if your child has been in school that day, but doesn't attend his/her afterschool program. Please let us know when your child will be absent from his/her program and/or if your contact information changes during this session. **Please call 802-655-0411 (JFK Office) if you need to contact us from 3-4 pm.**

Parents and guardians are always welcome to stop in to meet afterschool program teachers and to see what wonderful learning is happening. We are always looking for volunteers to help afterschool teachers with their programs so please let us know if you are interested. We are looking forward to a great session of afterschool programs!

Sincerely,
