21st Century Community Learning Center

Winooski Middle & High School Afterschool Programs

Session 2: November 13- January 25, 2018
3-4pm

Session 2 afterschool program offerings are listed below. All programs are free and a healthy meal will be provided each day. Please return the registration right away as programs fill up quickly. Thank you!

There are no afterschool programs on Wed, December 13th and week of Dec 18th.

ENRICHMENT and ACADEMIC PROGRAMS

English Games (for grades 6-8)

Join Ms. Yazic to find out how fun learning English can be! You might be practicing skills you learned in class, or you might be learning something new, but it will all be in the form of games.

Mondays

Room 108

Winooski Above the Influence (for grade 6-8)

Ms. Keefner and Mr. Zweeres

Join other middle school students and the Winooski Above the Influence (ATI) group which focuses on substance use prevention. Students will have fun, meet other students, gain public speaking skills, and increase their knowledge as they participate in the following: art and graphic design projects, community service, public service announcements, and community meetings.

Mondays

Room 103 (at middle school)

Technology Core Support (for grades 9-12)

Ms. Poquette

Do you want to be able to type as fast as you think? Do you want help with your business simulations, applying for a job, or organizing your digital work? Come to room 211 for time to work independently or to receive one-on-one support.

Monday

Room 211

Math Core Support (for grades 9-12)

Ms. Mellen

Math Support with Mrs. Mellen provides a time for you to work on strategies that will facilitate and enhance your understanding of math concepts, specifically in the content areas of IMP-2, Pre-calculus, and Calculus. Please plan to attend!

Mondays

Room 206

Learn to Sew (for grades 6-9)

Ms. Maughan

Come and learn how to make your own clothes. You will learn how to use a sewing machine, read a pattern, and create a piece of clothing just for you or a stuffed animal, if you choose. No sewing experience required.

Tuesdays

Room 209

Academic Support (for grades 9-12)

Ms. Hackett and Mr. Steele

Tutor Coordinator will be available to offer structured support to students. **Mr. Steele** is also available to provide support with reading and writing assignments and math

Tuesdays in Room 212 and Thursdays in Room 209

Science Core Support (for grades 9-12)

Ms. Bundy and Mr. Crowley

This time is dedicated for you to get more individualized support in your science learning and to provide a place for you to do independent science work. Plan to join **Ms. Bundy every Tuesday afternoon in Room 201** and **Mr. Crowley every Wednesday afternoon in Room 200** to get your questions answered, receive extra help, or for a quiet place to work on science. **Tuesdays/Wednesdays**

Rocket Science with STARBASE 2.0 (for grades 6-8)

Ms. Montgomery and Mr. Coutts

Continue to launch your dreams with STARBASE 2.0! Learn how to build and launch an advanced model rocket with the STARBASE team. Each student will build a rocket, decorate it and then send it off into the atmosphere. Learn about the safety of launching, forces that can impact flight and the science behind model rocketry.

Thursday

Room 102

Junior Iron Chef (for grades 6-8)

Ms. Boon and Ms. Graves

Jr. Iron Chef VT is a statewide culinary competition that challenges teams of middle and high school students to understand how they can effect change in the food system by creating healthy, local dishes that inspire school meal programs. **Winooski Middle School is looking for a team of middle school students** to prepare a recipe and compete alongside other students from VT in a culinary competition on March 17th. **Weekly attendance is very important.** This class will continue into the 3rd session.

Thursday

Room 214

Writing Club (for grades 6-8)

Ms. Sherrer

Do you love to write? Would you like to learn some techniques to grasp your readers? We will be writing and sharing stories and poetry in a fun, relaxed and supportive environment.

Friday

Room 106

Music Mentors

Middle and High School Students with experience in music mentor students from JFK interested in learning how to play the violin, Cello or another musical instrument. See Randy Argraves if you are interested in being a mentor.

Thursday

Room 45

Looking ahead to Session 3 (If you are interested, please check box on the registration page)

MedTrek is a new, ten-week health science careers exploration program, **which begins Thursday, February 1-April 19, 2018. College students with interest in medical fields are recruited as mentors** to support youth in hands-on health science activities and during field trips in the community. Guest health professionals will join the program weekly to share their knowledge, introduce tools and technology that makes their work exciting, and inspire youth to consider a future in health care careers. **Class is limited to 12 students and weekly attendance is important.** Class meets until 4:30.

Community Service Opportunity (for grades 9-12)

We are looking for committed middle and high school students to help support our programs for K-5th graders on Tuesday-Thursday. If interested, please see Suzanne Skaflestad in the middle/high school office. Any interested student will need to provide Ms. Suzanne with two references from school staff.

QUESTION: Are there other classes you would like us to offer. Please list them on the registration form.

**Please return this form to your TA teacher or Ms. Skaflestad right away as classes fill up quickly!
Thank you!**

I would like to sign up for the following afterschool programs:

_____ English Games (Mondays, Grades 6-8)

_____ Above the Influence (Mondays, Grade 6-8)

_____ Learn to Sew (Tuesdays, Grades 6-9)

_____ Rocket Science with STARBASE 2.0 (Thursday, Grades 6-8)

_____ Junior Iron Chef (Thursday, Grades 6-8) **This class is for middle school students**

_____ Writing Club (Friday, Grades 6-9)

If you are interested in being a music mentor, please see Randy Argraves.

_____ **Yes, I am interested in MedTrek.** (for grades 6-8) **I am aware that MedTrek begins on Thursday, February 1st.** I will be able to participate in all 10 weeks and will work with my coach (if I am doing a Spring sport) so that sports will not conflict with my participation in MedTrek. **I understand that weekly attendance is very important.**

Please see Suzanne Skaflestad if you are interested in the community service opportunity (for grades 9-12) Remember, you don't need to pre-register for the following High School Core Support programs. (for grades 9-12) Just plan to show up each week to get the help you need!

Monday Math Core Support with Ms. Mellon in Room 206

Monday Technology Core Support with Ms. Poquette in Room 211

Tuesday Academic Support with Ms. Hackett in Room 212

Tuesday Science Core Support with Ms. Bundy in Room 201

Wednesday Science Core Support with Mr. Crowley in Room 200

Wednesday, Technology Core Support with Ms. Poquette in Room 211 (This will be offered when the Wed dance class ends. We will announce the start date)

Thursday Academic Support with Ms. Hackett and Mr. Steele in Room 209

Name: _____ Grade: _____

TA Teacher: _____ Name of siblings (K-8) in afterschool programs _____

Are there other classes you would like us to offer: _____
